Our 44-acre tract with 18.4-acre graded pad is certified as a designated food processing site. That means your company can begin construction immediately in Martinsville-Henry County, Virginia. This certification saves you a lot of time, money, and research. Over 500 pages of it. That's because we've worked diligently with the Ady-Austin Consulting Group to compile the key information you need, such as property and environmental information, utilities, site photos, maps, surveys, and more. In addition, there are a number of incentives available, including the Tobacco Opportunity Fund. To learn more about this site, along with the many other advantages of locating to Martinsville-Henry County, Virginia, call us at (276) 403-5942. Visit us today at www.YesMartinsville.com.
