One firm specializing in the design & construction of food distribution and food process facilities.

Since 1991 we've satisfied more than **150 clients** and are proud to share that over **85 percent** of our business is with repeat customers, like US Foods, Sysco, Reinhart FoodService, Joseph Campione, Land O'Frost, Organically Grown, Performance Food Group, United Natural Foods, Usinger's Sausage, etc.

Capabilities:

- Site evaluation, selection and acquisition
- Feasibility and preliminary design studies
- Sustainable design
- Budget estimation and planning with Guaranteed Maximum Price (GMP)
- Value engineering throughout project
- Master planning and programming
- Building Codes: USDA, FDA, EPA, AIB
- Food safety and sanitation
- Power and utilities, sanitation studies
- Building mechanical operations and maintenance
- LEED Certification
- Complete program management services
- On-site construction management
- Architects and engineers licensed in all 50 states
- Major engineering disciplines: architectural, civil, electrical, mechanical, structural, plumbing, process, and refrigeration

DESIGN-BUILD SERVICES FOOD AND BEVERAGE FACILITIES

Benefits of Austin's Design-Build Services:

- Afford total control over your project
- Provide single company contract responsibility
- Define cost and schedule early
- Reduce time-to-market
- Save time with sequenced and integrated services
- Return overall facility investment faster

"A company built on delivering "Results, Not Excuses"™"

If your project could benefit from any of the above, please contact us at foodgroup@theaustin.com or www.theaustin.com/foodgroup

The next generation of drying

The Future of Drying

INTRODUCING THE REVOLUTIONARY
MAGNETIC ROTARY ATOMIZATION SYSTEM

- Reduces maintenance costs
- Eliminates gear drives and bearings
- Improves reliability
- Increases capacity
- Compatible with existing installations

Complete custom spray drying systems for new and retrofit applications.

Comprehensive testing facilities available.
